Official Form 101

Voluntary Petition for Individuals Filing for Bankruptcy

04/20

The bankruptcy forms use you and Debtor 1 to refer to a debtor filing alone. A married couple may file a bankruptcy case together--called a joint case--and in joint cases, these forms use you to ask for information from both debtors. For example, if a form asks, "Do you own a car," the answer would be yes if either debtor owns a car. When information is needed about the spouses separately, the form uses Debtor 1 and Debtor 2 to distinguish between them. In joint cases, one of the spouses must report information as Debtor 1 and the other as Debtor 2. The same person must be Debtor 1 in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

Part 5: Explain Your Efforts to Receive a Briefing About Credit Counseling

15. Tell the court whether you have received a briefing about credit counseling.

The law requires that you receive a briefing about credit counseling before you file for bankruptcy. You must truthfully check one of the following choices. If you cannot do so, you are not eligible to file.

If you file anyway, the court can dismiss your case, you will lose whatever filing fee you paid, and your creditors can begin collection activities again.

About Debtor 1:
You must check one:

☒ **I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.**

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

☐ **I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, but I do not have a certificate of completion.**

Within 14 days after you file this bankruptcy petition, you **MUST** file a copy of the certificate and payment plan, if any.

☐ **I certify that I asked for credit counseling services from an approved agency, but was unable to obtain those services during the 7 days after I made my request, and exigent circumstances merit a 30-day temporary waiver of the requirement.**

To ask for a 30-day temporary waiver of the requirement, attach a separate sheet explaining what efforts you made to obtain the briefing, why you were unable to obtain it before you filed for bankruptcy, and what exigent circumstances required you to file this case.

Your case may be dismissed if the court is dissatisfied with your reasons for not receiving a briefing before you filed for bankruptcy.

If the court is satisfied with your reasons, you must still receive a briefing within 30 days after you file. You must file a certificate from the approved agency, along with a copy of the payment plan you developed, if any. If you do not do so, your case may be dismissed.

Any extension of the 30-day deadline is granted only for cause and is limited to a maximum of 15 days.

☐ **I am not required to receive a briefing about credit counseling because of:**

☐ **Incapacity.** I have a mental illness or a mental deficiency that makes me incapable of realizing or making rational decisions about finances.

☐ **Disability.** My physical disability causes me to be unable to participate in a briefing in person, by phone, or through the internet, even after I reasonably tried to do so.

☐ **Active duty.** I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court.

Official Form 106C

Schedule C: The Property You Claim as Exempt

04/19

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. Using the property you listed on *Schedule A/B: Property* (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of *Part 2: Additional Page* as necessary. On the top of any additional pages, write your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions--such as those for health aids, rights to receive certain benefits, and tax-exempt retirement funds--may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.

Part 1: Identify the Property You Claim as Exempt

1. Which set of exemptions are you claiming? *Check one only, even if your spouse is filing with you.*

Part 3: List Others to Be Notified About a Debt That You Already Listed

5. Use this page only if you have others to be notified about your bankruptcy, for a debt that you already listed in Parts 1 or 2. For example, if a collection agency is trying to collect from you for a debt you owe to someone else, list the original creditor in Parts 1 or 2, then list the collection agency here. Similarly, if you have more than one creditor for any of the debts that you listed in Parts 1 or 2, list the additional creditors here. If you do not have additional parties to be notified for any debts in Parts 1 or 2, do not fill out or submit this page.

Notice Required by 11 U.S.C. § 342(b) for Individuals Filing for Bankruptcy (Form 2010)

This notice is for you if:

- **You are an individual filing for bankruptcy,**
and
- **Your debts are primarily consumer debts.**
Consumer debts are defined in 11 U.S.C. § 101(8)
as "incurred by an individual primarily for a
personal, family, or household purpose."

The types of bankruptcy that are available to individuals

Individuals who meet the qualifications may file under one
of four different chapters of the Bankruptcy Code:

- Chapter 7 -- Liquidation
- Chapter 11 -- Reorganization
- Chapter 12 -- Voluntary repayment plan for family
farmers or fishermen
- Chapter 13 -- Voluntary repayment plan for
individuals with regular income

**You should have an attorney review your
decision to file for bankruptcy and the choice
of chapter.**

Chapter 7: Liquidation

	\$245	filing fee
	\$75	administrative fee
+	\$15	trustee surcharge
	\$335	total fee

Chapter 7 is for individuals who have financial difficulty
preventing them from paying their debts and who are
willing to allow their non-exempt property to be used to
pay their creditors. The primary purpose of filing under
chapter 7 is to have your debts discharged. The
bankruptcy discharge relieves you after bankruptcy from
having to pay many of your pre-bankruptcy debts.
Exceptions exist for particular debts, and liens on
property may still be enforced after discharge. For
example, a creditor may have the right to foreclose a
home mortgage or repossess an automobile.

However, if the court finds that you have committed
certain kinds of improper conduct described in the
Bankruptcy Code, the court may deny your discharge.

You should know that the even if you file chapter 7 and
you receive a discharge, some debts are not discharged
under the law. Therefore, you may still be responsible to
pay:

- most taxes;
- most student loans;
- domestic support and property settlement obligations;

- most fines, penalties, forfeitures, and criminal restitution obligations; and
- certain debts that are not listed in your bankruptcy papers.

You may also be required to pay debts arising from:

- fraud or theft;
- fraud or defalcation while acting in breach of fiduciary capacity;
- intentional injuries that you inflicted; and
- death or personal injury caused by operating a motor vehicle, vessel, or aircraft while intoxicated from alcohol or drugs.

If your debts are primarily consumer debts, the court can dismiss your chapter 7 case if it finds that you have enough income to repay creditors a certain amount. You must file *Chapter 7 Statement of Your Current Monthly Income* (Official Form 122A-1) if you are an individual filing for bankruptcy under chapter 7. This form will determine your current monthly income and compare whether your income is more than the median income that applies in your state.

If your income is not above the median for your state, you will not have to complete the other chapter 7 form, the *Chapter 7 Means Test Calculation* (Official Form 122A-2).

If your income is above the median for your state, you must file a second form--the *Chapter 7 Means Test Calculation* (Official Form 122A-2). The calculations on the form--sometimes called the *Means Test*--deduct from your income living expenses and payments on certain debts to determine any amount available to pay unsecured creditors. If your income is more than the median income

for your state of residence and family size, depending on the results of the *Means Test*, the U.S. trustee, bankruptcy administrator, or creditors can file a motion to dismiss your case under § 707(b) of the Bankruptcy Code. If a motion is filed, the court will decide if your case should be dismissed. To avoid dismissal, you may choose to proceed under another chapter of the Bankruptcy Code.

If you are an individual filing for chapter 7 bankruptcy, the trustee may sell your property to pay your debts, subject to your right to exempt the property or a portion of the proceeds from the sale of the property. The property, and the proceeds from property that your bankruptcy trustee sells or liquidates that you are entitled to, is called *exempt property*. Exemptions may enable you to keep your home, a car, clothing, and household items or to receive some of the proceeds if the property is sold.

Exemptions are not automatic. To exempt property, you must list it on *Schedule C: The Property You Claim as Exempt* (Official Form 106C). If you do not list the property, the trustee may sell it and pay all of the proceeds to your creditors.

Chapter 11: Reorganization

	\$1,167	filing fee
+	\$550	administrative fee
	\$1,717	total fee

Chapter 11 is often used for reorganizing a business, but is also available to individuals. The provisions of chapter 11 are too complicated to summarize briefly.

Read These Important Warnings

Because bankruptcy can have serious long-term financial and legal consequences, including loss of your property, you should hire an attorney and carefully consider all of your options before you file. Only an attorney can give you legal advice about what can happen as a result of filing for bankruptcy and what your options are. If you do file for bankruptcy, an attorney can help you fill out the forms properly and protect you, your family, your home, and your possessions.

Although the law allows you to represent yourself in bankruptcy court, you should understand that many people find it difficult to represent themselves successfully. The rules are technical, and a mistake or inaction may harm you. If you file without an attorney, you are still responsible for knowing and following all of the legal requirements.

You should not file for bankruptcy if you are not eligible to file or if you do not intend to file the necessary documents.

Bankruptcy fraud is a serious crime; you could be fined and imprisoned if you commit fraud in your bankruptcy case. Making a false statement, concealing property, or obtaining money or property by fraud in connection with a bankruptcy case can result in fines up to \$250,000, or imprisonment for up to 20 years, or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.

Chapter 12: Repayment plan for family farmers or fishermen

	\$200	filing fee
+	\$75	administrative fee
	\$275	total fee

Similar to chapter 13, chapter 12 permits family farmers and fishermen to repay their debts over a period of time using future earnings and to discharge some debts that are not paid.

Chapter 13: Repayment plan for individuals with regular income

	\$235	filing fee
+	\$75	administrative fee
	\$310	total fee

Chapter 13 is for individuals who have regular income and would like to pay all or part of their debts in installments over a period of time and to discharge some debts that are not paid. You are eligible for chapter 13 only if your debts are not more than certain dollar amounts set forth in 11 U.S.C. § 109.

Under chapter 13, you must file with the court a plan to repay your creditors all or part of the money that you owe them, usually using your future earnings. If the court approves your plan, the court will allow you to repay your debts, as adjusted by the plan, within 3 years or 5 years, depending on your income and other factors.

After you make all the payments under your plan, many of your debts are discharged. The debts that are not discharged and that you may still be responsible to pay include:

- domestic support obligations,
- most student loans,
- certain taxes,
- debts for fraud or theft,
- debts for fraud or defalcation while acting in a fiduciary capacity,
- most criminal fines and restitution obligations,
- certain debts that are not listed in your bankruptcy papers,
- certain debts for acts that caused death or personal injury, and
- certain long-term secured debts.

Warning: File Your Forms on Time

Section 521(a)(1) of the Bankruptcy Code requires that you promptly file detailed information about your creditors, assets, liabilities, income, expenses and general financial condition. The court may dismiss your bankruptcy case if you do not file this information within the deadlines set by the Bankruptcy Code, the Bankruptcy Rules, and local rules of the court.

For more information about the documents and their deadlines, go to:

http://www.uscourts.gov/bkforms/bankruptcy_forms.html#procedure.

Bankruptcy crimes have serious consequences

- If you knowingly and fraudulently conceal assets or make a false oath or statement under penalty of perjury--either orally or in writing--in connection with a bankruptcy case, you may be fined, imprisoned, or both.
- All information you supply in connection with a bankruptcy case is subject to examination by the Attorney General acting through the Office of the U.S. Trustee, the Office of the U.S. Attorney, and other offices and employees of the U.S. Department of Justice.

Make sure the court has your mailing address

The bankruptcy court sends notices to the mailing address you list on *Voluntary Petition for Individuals Filing for Bankruptcy* (Official Form 101). To ensure you receive information about your case, Bankruptcy Rule 4002 requires that you notify the court of any changes in your address.

A married couple may file a bankruptcy case together--called a *joint case*. If you file a joint case and each spouse lists the same mailing address on the bankruptcy petition, the bankruptcy court generally will mail you and your spouse one copy of each notice, unless you file a statement with the court asking that each spouse receive separate copies.

Understand which services you could receive from credit counseling agencies

The law generally requires that you receive a credit counseling briefing from an approved credit counseling agency. 11 U.S.C. § 109(h). If you are filing a joint case, both spouses must receive the briefing. With limited exceptions, you must receive it within the 180 days **before** you file your bankruptcy petition. This briefing is usually conducted by telephone or on the Internet.

In addition, after filing a bankruptcy case, you generally must complete a financial management instructional course before you can receive a discharge. If you are filing a joint case, both spouses must complete the course.

You can obtain the list of agencies approved to provide both the briefing and the instructional course from:

http://justice.gov/ust/eo/hapcpa/ccde/cc_approved.html.

In Alabama and North Carolina, go to:

<http://www.uscourts.gov/FederalCourts/Bankruptcy/BankruptcyResources/ApprovedCreditAndDebtCounselors.aspx>.

If you do not have access to a computer, the clerk of the bankruptcy court may be able to help you obtain the list.

Official Form 122A-1Supp

Statement of Exemption from Presumption of Abuse Under § 707(b)(2)

12/15

File this supplement together with Chapter 7 Statement of Your Current Monthly Income (Official Form 122A-1), if you believe that you are exempted from a presumption of abuse. Be as complete and accurate as possible. If two married people are filing together, and any of the exclusions in this statement applies to only one of you, the other person should complete a separate Form 122A-1 if you believe that this is required by 11 U.S.C. § 707(b)(2)(C).

Part 1: Identify the Kind of Debts You Have

1. **Are your debts primarily consumer debts?** Consumer debts are defined in 11 U.S.C. § 101(8) as "incurred by an individual primarily for a personal, family or household purpose." Make sure that your answer is consistent with the answer you gave at line 16 of the Voluntary Petition for Individuals Filing for Bankruptcy (Official Form 101).

☒ No. Go to Form 122A-1; on the top of page 1 of that form, check box 1, *There is no presumption of abuse*, and sign Part 3. Then submit this supplement with the signed Form 122A-1.

☐ Yes. Go to Part 2.

Part 2: Determine Whether Military Service Provisions Apply to You

2. **Are you a disabled veteran (as defined in 38 U.S.C. § 3741(1))?**

☐ No. Go to line 3.

☐ Yes. Did you incur debts mostly while you were on active duty or while you were performing a homeland defense activity?
10 U.S.C. § 101(d)(1); 32 U.S.C. § 901(1).

☐ No. Go to line 3.

☐ Yes. Go to Form 122A-1; on the top of page 1 of that form, check box 1, *There is no presumption of abuse*, and sign Part 3. Then submit this supplement with the signed Form 122A-1.

3. **Are you or have you been a Reservist or member of the National Guard?**

☐ No. Complete Form 122A-1. Do not submit this supplement.

☐ Yes. Were you called to active duty or did you perform a homeland defense activity? 10 U.S.C. § 101(d)(1); 32 U.S.C. § 901(1)

☐ No. Complete Form 122A-1. Do not submit this supplement.

☐ Yes. Check any one of the following categories that applies:

☐ I was called to active duty after September 11, 2001, for at least 90 days and remain on active duty.

☐ I was called to active duty after September 11, 2001, for at least 90 days and was released from active duty on _____ which is fewer than 540 days before I file this bankruptcy case.

☐ I am performing a homeland defense activity for at least 90 days.

☐ I performed a homeland defense activity for at least 90 days, ending on _____, which is fewer than 540 days before I file this bankruptcy case.

If you checked one of the categories to the left, go to Form 122A-1. On the top of page 1 of Form 122A-1, check box 3, *The Means Test does not apply now* and sign Part 3. Then submit this supplement with the signed Form 122A-1. You are not required to fill out the rest of Official Form 122A-1 during the exclusion period. The exclusion period means the time you are on active duty or are performing a homeland defense activity, and for 540 days afterward. 11 U.S.C. § 707(b)(2)(D)(ii).

If your exclusion period ends before your case is closed, you may have to file an amended form later.

Chapter 7 Statement of Your Current Monthly Income

04/20

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known). If you believe that you are exempted from a presumption of abuse because you do not have primarily consumer debts or because of qualifying military service, complete and file Statement of Exemption from Presumption of Abuse Under § 707(b)(2) (Official Form 122A-1Supp) with this form.

Part 1: Calculate Your Current Monthly Income

1. What is your marital and filing status? Check one only.

- ☐ **Not married.** Fill out Column A, lines 2-11.
- ☐ **Married and your spouse is filing with you.** Fill out both Columns A and B, lines 2-11.
- ☐ **Married and your spouse is NOT filing with you. You and your spouse are:**
- ☐ **Living in the same household and are not legally separated.** Fill out both Columns A and B, lines 2-11.
- ☐ **Living separately or are legally separated.** Fill out Column A, lines 2-11; do not fill out Column B. By checking this box, you declare under penalty of perjury that you and your spouse are legally separated under nonbankruptcy law that applies or that you and your spouse are living apart for reasons that do not include evading the Means Test requirements. 11 U.S.C. § 707(b)(7)(B).

Fill in the average monthly income that you received from all sources, derived during the 6 full months before you file this bankruptcy case. 11 U.S.C. § 101(10A). For example, if you are filing on September 15, the 6-month period would be March 1 through August 31. If the amount of your monthly income varied during the 6 months, add the income for all 6 months and divide the total by 6. Fill in the result. Do not include any income amount more than once. For example, if both spouses own the same rental property, put the income from that property in one column only. If you have nothing to report for any line, write \$0 in the space.
